

My ZB Portal Single Sign-On through ClassLink

Follow these steps to set up single sign-on for My ZB Portal through ClassLink.

1. From your ClassLink LaunchPad home page, click on the + in the Tool Bar to open the App Library.

2. In the App Library, search for "Zaner-Bloser." Then click the **Add** button to add the Zaner-Bloser (My ZB Portal) App. This will add the app to your homepage.

3. *Once the My ZB Portal App has been added to the LaunchPad home page, users can click on the My ZB Portal icon to be logged in automatically with their ClassLink account.*

Helpful Tips

- *Users need to be rostered in My ZB Portal before they can use ClassLink to sign in. Please review our [Digital Administrator Rostering Guide](#) for more information about rostering.*
- *The username/email in My ZB Portal needs to match the username in ClassLink.*
