

The Superkids Reading Program

ONLINE RESOURCES

for Teaching and Learning
on MyZBPortal.com

Plan, Teach, and Grow with Comprehensive Online Resources

Lesson-Planning Tools

The **Five-Day Planner** presents an overview of instruction for the week ahead. Daily **Lesson Pages** provide

- a quick and complete overview of each day's instruction.
- access to the Teacher's Guide eBook.
- student objectives tied to state standards.
- links to online lesson materials and resources for differentiated instruction.

Grade 2, Unit 11

Class Report

Online Assessment and Reports

Teachers use the portal to assign online assessments and track formal assessment scores.

Student assessment results and online activity reports are easily shared with families and administrators.

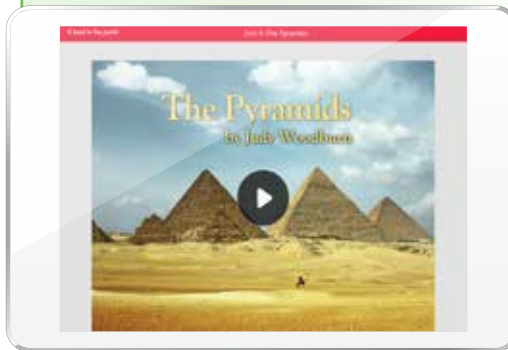

- Class Reports present a quick summary of how every student performed.
- Individual Reports offer in-depth data on individual students for progress monitoring.

Super Smart Informational Digital Read-Alouds

Grades K-1

Interactive Super Smart read-aloud texts engage students with photos, videos, animations, and instruction that

- develop listening comprehension, vocabulary, and science and social studies content knowledge.
- model comprehension strategies and close reading.
- introduce informational text structures.

Grade 1, Unit 4

Classroom Video

Professional Development Resources

On-demand professional development videos help teachers keep growing as they teach the program by deepening their knowledge of the *Superkids* pedagogy.

- Training videos for every grade
- Classroom videos that model instruction
- Webinars on key literacy topics

Engage Students at School and Home

Grade 1, Unit 2
On-Level Library Book

Grade 2, Unit 7 SUPER Magazine

Interactive Texts

Engaging, interactive versions of student texts contain audio narration with highlighted text to make it easy for students to follow along and build fluency.

- Student Book and Reader stories
- Library Books
- Super-Duper mini-magazine and SUPER Magazine articles

Games

Interactive games provide fun practice with new literacy skills students have been taught in corresponding units.

- Phonemic awareness
- Letter recognition
- Phonics
- Decoding
- Spelling
- Structural analysis
- Vocabulary
- Grammar, usage, and mechanics

Grade 2 Game

Animated Songs

These catchy animated songs introduce the Superkids characters and Superkids' club activities in kindergarten. Each song contains words that include the focus phonemes for the unit and provides opportunities for rich discussion.

Cass Song Animation

Personal avatars and the badge system keep students engaged and motivated.

Class Updates Page

Parent/Caregiver Access
